## Papa, what is a Newspaper, and what does it Contain?

Organs that centlemen play, my boy, To answer the taste of the day, my boy, Whatever it be, They hit on the key.

Of (f)lying reports, And published at regular times, my boy.

Articles able and wise, my boy, At least in the editor's eyes, my boy, And logic so grand That few understand

To what in the world in applies, my boy. Statistics, reflections, reviews, my boy, Little scraps to instruct and amuse, my boy And lengthy debate

Upon matters of state, For wise headed folk to peruse, my boy. The funds as they were and they are, my boy The quibbles and quirks of the bar, my boy, And every week.

A clever critique On some rising theatrical star, my boy. The age of Jupiter's moons, my boy,

The state of the crops. The style of the fops. And the wit of the public buffoons, my boy List of all physical ills, my boy,

Banished by somebody's pills, my boy, Till you ask with surprise Why any one dies, Or what's the disorder that kills? my boy.

Who has got married, to whom, my boy, Who were cut off in the bloom, my boy, Who has had birth

On this sorrow stained earth, And who totlers fast to the tomb, my boy.

The price of cattle and grain, my boy, Directions to dig and to drain my boy, But 'twould take me too long, To tell you in song A quarter of all they contain, my boy,

The Progress of Slavery in the United

of facts and arguments, indi-putable and unanswerable; while it has not detracted from the interest excited by this valuable document, when we reflected that its author was lately editor of one of the leading Democratic papers of the State of Maine; as he is now editor of the "Republic," an able and induential Republican paper, recently established in Washington City; and which, by the way, deserves a litteral patronnee from all who love freedom and union, and abhor the detestable

despotism of Slavety. '-His style is clear, compact, and argumenta tive-facts, and the logical application of principles having evidently been deemed of to six millions. The Indian wars in these Hindooism upon Christianity broke forth. more importance to his readers, and more available in the discussions upon which he has entered, than mere assertion of blind appeals to the passions and prejudices of men. Could his work be placed in the hands of The amounts stated are probably exaggerevery voter, carefully read, the reasoning ated, but the war debts of these Territories weigh d independently of prejudice or pre- will be very large. judgment, no doubt can for a moment be entertained, but the construction of our Naits framers, and maintained by the people of int-cabin or deck?" "Hang your cabin." California, that has been known for years. the late election in New York, six are Reland," by the oternal prohibition of slavery got."

A. G. PHILLIPS, D. D. S., (Graduate of the Cincillary of the Cincillary) of crimati Dental College, and ten years in practice, offership professional services to the citizens of pomeroy and element. OFFICE—At present with Dr. Bing, formerly the Exchange Bank Office. [aull 557] te." (Jefferson)

Leaving the old grounds of the inherent wrongfulness of slavery, of its admitted violation of the rights of man, he shows beyond controversy, that it is always, naturally and necessarily antagonistic to freedom and free labor: that its effects are to degrade toose by whom labor is performed, and thus build up DOMEROY ROLLING MILL COMPANY. Front atreet, Pomeroy, O. Have constantly on hand and made to order, merchant's fron of all sizes. Orders relicited, and promptly executed.

George S. J. Oliver, Superintendent.

L. F. POTTER, Agent, Cincinnali, O. mighty, shall corn their bread by the sweat of COALPORT SALT COMPANY. Onice in Cooper's their brow. Nor are his conclusions far Retuit, Thirty-Fivel cents per bushet. ures," he demonstrates beyond the passibility of unite, that the slave system, builded as t

ments of its own destruction; and that, but for its enormous extension over free territory, since the formation of our National Constitu sus enance.

This fact one would think sufficient to consign the name of slavery extensionists to eternal infamy. The guilt of cursing generations to come with chattel slavery-of fastening W. wholesale and retail dealer in Watches, Clocks, Jawelry and Fancy Goods, Front-at., five doors above Merchants' Hotel, Four-ray, Particular' attention paid to repairing Watches, Jocks and Jamelry, Julia were effects of no small magnitude. But this is not the whole. He leaves no hidingplace for slavery-extension ists. Noticing the silly subterfuge that the diffusion of slavery does not increase the number of slaves, but increases their happiness, he, by a logical apapplication of the laws which govern the increase of population, shows that the number of slaves in the oco states is no cass than it this world and the next-was placed in imwould have been wronour emigration, and, mediate and extreme paril. They stepped consequently, that the slaves who populate out of their ranks on parade, and respectthe NEW states, are but the fruits of slavery- fully but firmly stated their objections to and property " extension. Our limits, however, do not per the regulation-method of preparing grease mit to go into an exhibit of the facts by which to the Enfield cartridge. They asked as this last position is sustained. At another a concession to their religious feelings, time we will view this topic more fully. In that a composition of wax and oil should
